Lakeside Elementary would like to congratulate and recognize the following employees:

Professional Staff for 4th 9 Weeks:

Mike Dalton-Mike was recognized by his co-

workers for being a favorite of the students and staff. As a teacher and role model, he exhibits qualities that are to be admired. He models physical fitness and lifetime sports skills with an emphasis on sportsmanship. Mike teaches by example and is always willing to help others. He is a real treasure!

Service Staff for 4th 9 Weeks:

Betty Goff-Betty was nominated by her co-workers for always thinking of the children. She is always willing to help, takes pride in her work and provides for the students and staff. She is cheerful with her job and always greets the children in the lunch line!

LPTO News

Anyone who would like to have their photo disc used for yearbook returned should call Danyail Maynard @ 304-562-8596 and it will be returned. A limited number of yearbooks are for sale in

the office. The price is \$17.00 and checks should be made out to LPTO.

THANK YOU

Thanks seems like a small word to say for all the generosity and appreciation shown to the Lakeside Elementary staff during Staff Appreciation Week. We are very fortunate to work in a school with a supportive community! Thank you for everything.

Books

Textbooks are provided free to every student in Putnam County. They should be used with care and kept in good condition. Parents are responsible for replacing lost, stolen, or damaged textbooks. A price list may be obtained from the office. Students will visit the school library once a week for the purpose of checking out books. If lost, a **replacement cost** will be charged.

Library News

The library at Lakeside has ceased checking out books for this school year. At this time, all books are overdue and volunteers are collecting outstanding books for inventory. Please return all books at

this time. Lost, stolen or damaged books should be paid for before the last day of school. Thank you for your prompt assistance with maintaining our library!

Summer Programs

Putnam County Schools offer many summer programs. Information has or will be coming home soon explaining these programs such as Transitional Kindergarten, Jump Start and Summer Academies. Please watch for this information and register your child for one of these wonderful opportunities!

Hello, summer!

School will soon be out! It will be time for fun, sun and learning! The summer months offer endless ways to keep your child's skills sharp. Reading, writing, math and science are subjects for all seasons! Summer vacation can be a great time for learning.

You can help your child:

- enjoy healthy, safe and fun activities to avoid being bored
- develop new skills
- visit the local library
- prepare for the next school year

Lakeside wishes all students a great summer filled with learning opportunities. See you in the fall!

Class Assignments

Lakeside Elementary students will be notified of their teacher assignment for the 2009-2010 school year in August. Each student will receive a letter notifying him/her of the classroom to which they have been assigned.

Community Corner

HMS Girls Volleyball

HMS is beginning a volleyball program for next year. A brief meeting for interested girls and their parents will be held on June 1st at 6:30pm in the HMS cafeteria. Contact: Rhonda Null at rnull@access.k12.wv.us.

Camp Happy Valley

Camp Happy Valley is a residential camp located in Scott Depot. Camp brings out the best of every camper's potential. It offers varied programs in recreation, education, enrichment and fellowship for children ages 6-14. Children who receive free lunch at school qualify for a free scholarship. Anyone who receives reduced lunch qualifies for a partial scholarship and will pay \$50. All others pay the camp fee of \$100. Applications can be picked up at our main office in Charleston, any Thrift Store, or any of our Boys and Girls Clubs in Charleston or St. Albans. Applications can also be found at your local Salvation Army office.
